Tip! Het matglas heeft aan de ene kant een gladde structuur en aan de andere kant een ruwe structuur. Zorg bij montage ervoor dat u het matglas met dezelfde structuur aan één kant plaatst.

Tipp! Das mattierte Glas hat auf einer Seite eine glatte Struktur und auf der anderen Seite eine raue Struktur. Achten Sie bei der Montage darauf, dass Sie das Mattglas mit der gleichen Struktur auf einer Seite platzieren.

Tip! The frosted glass has a smooth structure on one side and a rough structure on the other. When mounting, ensure that you place the frosted glass with the same structure on one side.

Conseil: le verre dépoli a une structure lisse d'un côté et rugueuse de l'autre. Lors de la pose, veillez à placer d'un même côté le verre dépoli ayant la même structure.

Tip: Monteer de nylon strips aan de muurzijde van de deur voor een stijlvol resultaat. Gebruik voor montage van de strips het meegeleverde gereedschap en een beetje zeep. Knip de strips indien nodig op maat.

Tip: For aesthetic reasons, mount the nylon strip on the wall side of the door. For mounting the strips, use the supplied tools and a little soap. Cut the strips to size if necessary.

Tipp: Bringen Sie die Nylonstreifen an der Wandseite der Tür an, um ein stilvolles Ergebnis zu erzielen. Verwenden Sie zur Montage der Streifen die mitgelieferten Werkzeuge und etwas Seife. Schneiden Sie die Streifen gegebenenfalls zurecht.

Conseil: montez les bandes de nylon sur le côté mural de la porte pour un résultat esthétique. Pour le montage des bandes, utilisez l'outil fourni et un peu de savon liquide. Coupez les bandes à la taille voulue si nécessaire.
